

CAREER OBJECTIVE

"As a first-year student with a strong interest in Machine Learning, I am currently building foundational skills in Python and data analysis. I'm eager to join beginner-level roles or internships where I can learn from real-world projects and grow.

WORK EXPERIENCE

Web Development • Internship

Jun 2025 - Jul 2025

Codec Technologies, Virtual

- Built responsive web pages using HTML, CSS, and JavaScript to improve UI performance.
- Integrated form validations and interactive components to enhance user experience.
- Collaborated with the team using Git and GitHub for version control and code reviews.

EDUCATION

B.Tech, Computer Science & Engineering

2024 - 2028

uttaranchal institute of technology

CGPA: 8.30/10

Senior Secondary (XII), CBSE

2024

Science

Cambridge Senior Secondary High School, Dehradun

TRAININGS / CERTIFICATIONS

Web Application Development

Jun 2025 - Jul 2025

Codec Technologies, Virtual

PROJECTS

[expense tracker ↗](#)

Jun 2025 - Present

- Built an Expense Tracker(Buget wise) web application using HTML, CSS, and JavaScript to manage daily spending.
- Implemented features like adding, deleting, and categorizing expenses with dynamic totals.
- Stored and fetched user data using browser local storage for a seamless experience.
- Collaborated using Git/GitHub and followed clean UI/UX practices for responsive design.

SKILLS

- HTML
- CSS
- Python
- C Programming
- Creativity
- Problem Solving
- Database Management System (DBMS)

EXTRA CURRICULAR ACTIVITIES

- Passionate about Programming: I enjoy learning new programming languages and solving coding problems, which motivates me to improve my logical thinking and build real-world solutions.
- Wildlife & Nature Photography Enthusiast: I love spending time in nature and capturing wildlife moments through photography. It helps me stay creative and observant.
- Self-Learner: I actively explore online resources, tutorials, and challenges to sharpen my programming skills beyond the classroom.
- - Passionate about photography, for detail and composition.
 - Enjoy sketching, often exploring creative concepts.

- Committed to a daily workout routine, emphasizing discipline, consistency, and personal wellbeing.
